

NFLL Communications Report August 2024

- We continue to submit posts for MCC's intranet site.
 - ~~February – New Member Coffee (done)~~
 - ~~March – One of the in-person classes (submitted the Crepe Class)~~
 - ~~April – Volunteer Luncheon~~
 - ~~May – Annual General Member Meeting~~
 - ~~June – Summer classes~~
 - ~~July – one of the classes~~
 - August – Announce Open House (being written and posted by 8/23)
 - September – Open House
 - October – one of the classes
 - November – another of the classes
 - December – holiday party
- We continue to look for other opportunities to spread the word about NFLL.
- Will be working with MCC's Marketing Manager to see if we can get another newspaper article about NFLL and our Open House in the media (August Advisory Mtg).
- Will be contacting the TBird Times (MCC's newspaper) to talk about an article in their paper (this will happen when students are back at school in the fall).
- Beginning in August, we will have a monthly newsletter. First issue went out and September will be mailed with the class schedule and Open House flier.
- Aster Center has agreed to have some of our brochures, newsletters at their table at the Healthy Living Event in November. We did not pursue this event because the cost of a table was \$700.
- We have been invited to make a presentation about NFLL to the Mesa Regal Technology User group (55+ folks who are interested in technology). Once the date is determined, we will figure out who will make the presentation.
