

## **NFLL Social Committee Meeting Notes 11/04/2024**

### Attendees:

Arllys Medicott, Diana Yarbrough, Greg Master, Helen Dodds, Joanne Handlong, Monica Karels, Pamela Normandin

This meeting was held at the Downtown Mesa Library boardroom.

We discussed the holiday luncheon. The cost to members has been publicized at \$27 for members and \$32 for guests when purchased ahead of time and \$100 per person when purchased at the door. Ahead of the meeting, Roland had sent an email to the committee members requesting feedback on the luncheon menu. Roland will also create and send out the flyer for the luncheon. He also plans to have a gathering at his house to bag the candy, confirm assignments and discuss any other outstanding items. Joanne is going shopping this week with Debby Smith to get items needed for the centerpieces. Joanne, Diana and Pam will meet separately to put together the centerpieces.

The October activities all went well.

Joanne is handling the out to lunch at Blue Adobe Grille on November 14<sup>th</sup>.

Greg is working on scheduling a tour of Falcon Field either for November 21<sup>st</sup> or, if that doesn't work out, for some time in January. Because of timing with Thanksgiving, there will not be a November study hall.

Monica brought a template Word doc to help with scheduling activities after the holidays. We penciled in some assignments for the first couple of months of 2025.

The next meeting is planned for Monday, December 2, at 10:00 am. Monica will check with Roland to see if that is when he wants members to meet at his house to finalize luncheon plans.
