

NFLL TRAILERS Fall 2025 Hikes

(Hikes & meeting places may change. Updates will be emailed each week)

- Trailers hikes are intended to be easy, with occasional moderate sections for short distances. Hikes will usually be between 2.5 and 4 miles long, with elevation changes of less than 400 feet. The objective is a fun recreational hike enjoyable to most hikers in reasonable condition.
- All hikers must be registered for the class and sign a Maricopa Community Colleges Risk Form #1 before participating. Follow the instructions in the NFLL web site *Members Toolbox* Because of insurance restrictions, guests are not allowed.
- Although every precaution will be taken to assure safety, participants must recognize that hiking can be a dangerous activity. Hikers should be in reasonable physical condition and know their limitations.
- Hikers will get more information during the week preceding each hike. The schedule **will** change, so please check for the latest information.
