You will be asked to sign Risk Form #1 (outdoor activities). Various (nonstrenuous) outdoor games will be available. We will have our **annual book exchange**. May we suggest members bring only one or two gently used books. Each book you bring will entitle you to take a book. Any leftover books will be donated. Please no puzzles, school or technical books. We will be doing a white elephant gift exchange. Typically, this is a "present" that may be some gift or item you no longer need (or want). We suggest it be of \$10 - \$20 value, operational, and not damaged. Bring the gift in a sealed brown paper bag. If you do not bring a "White Elephant Gift" then please do not take one. We will be getting up as table groups to pick out our "gifts" and opening them as table groups. Once all gifts have been opened mutual exchange negotiations are open. Music from the 60's and 70's may be played.

Lunch is served around noon. We invite everyone to take this opportunity to socialize with your fellow NFLL members, have some fun and make this a fabulous day.
