

Mesa - Falcon Field Airport

## Falcon Field Tour

Learn the history and purpose of the airport through the overview presentation. Then enjoy a tour of the Historic WWII Hangar and a tour of the MD Helicopter facility.

**Following the tour:** You are welcome to spend time browsing the terminal building lobby. You can also watch the planes both on the shaded aircraft viewing patio at the rear of the terminal building, or in the aircraft viewing park adjacent to the terminal building. Shade, seating and water are available, and beverages also are offered in the vending machine in the terminal building lobby.

**Note:** Attendees will be transported in vans to the different locations but there is also some walking involved at each location. Please wear appropriate clothing and walking shoes. Water will be available.
